

introducing the elements specification

At WA Country Builders and The Rural Building Company, we understand that the essence of good home design includes a stylish kitchen complete with the latest functional design features and appliances, a luxurious ensuite with space to pamper yourself, large free-form living zones, and bedrooms big enough to cater for growing kids - all at an affordable price.

WHY YOU CAN TRUST YOUR LOCAL BUILDER

- WA's largest and most awarded regional builder
- We provide the security of a Fixed Price Contract
- We provide Housing Indemnity insurance
- We give you a 6 month maintenance warranty
- We provide a Lifetime structural guarantee*
- We give you an obligation-free site inspection
- We are a wholly Western Australian owned family business
- We support local suppliers and tradespersons
- We employ local staff
- We have locally operated offices
- We are proud builders of the regional Telethon home since 2003
